

The Daily Union Gazette

Local and National News

TO ADVERTISERS.—The *Union Gazette* is the pioneer daily newspaper of Utah. Its immense circulation is every mining camp, and city of Montana and Idaho, to which it gives the graphic despatches a whole week ahead of the Pacific papers. *Montana* is the most advertising medium for advertising in the four central Territories. It is the first newspaper of its kind in the West.

G. J. GOLDRICK, traveling solicitor for *Montana* publications, has a residence through the Pacific States and Territories.

MANHATTAN.—A girl to the general trade work. Apply to Mrs. Gen. P. E. Connor.

CHARLES SCHNEIDER has gone to the White House.

THE original Madame Celeste, of world-wide reputation, has arrived in San Francisco.

BURGESS AND HUMILITY.—The soul goes highest when the body kneels lowest.

COL. Charles Fitz Simons, formerly of the 21st N. Y. Cav., is about to establish a Glass Manufactory in Colorado Territory.

SENATOR Nye and Representative Ashley arrived at Carson, Nevada, on the evening of the 5th. They were tendered an enthusiastic public reception.

MAJOR General Hooker is now at Watertown, Jefferson county, N. Y., recuperating, and with his health improved.

THE New York correspondent of the Louisville *Courier* says that E. Z. C. Judson (Ned Buntline) is now a broken, wretched vagabond and drunkard in New York.

GENERAL Steele left Boise City on the 26th ult. for Bruneau, Owyhee, and other camps beyond to look after water and things generally.

A WOULD-be-prophet down South lately said in one of his sermons, "that he was sent to redeem all things," when a native pulled out a confederate spine-plaster, and asked him to fork over specie for it.

WHY is an unserviceable gun like an office holder? Because in kicks mightily when discharged!

MOVEMENT OF TRAINS.—The following trains traveling West, passed Fort Kearny on the 28th ult.: Thompson, 21 wagons, 20 men. Damning, 24 wagons, 34 men. Carter's, 31 wagons, 40 men.

THE wonderful process of making cord-wood into paper, at the new paper factory near Philadelphia, has been illustrated by "cutting a poplar from the hill-side and converting it into clear, white soft paper in the short space of five hours."

BETRAYAL.—Yesteray afternoon two soldiers of the 18th had a falling out near Siegel's corner, and one knocked the other down and kicked him in the head until he was insensible. The parties were taken in charge by Policemen Heath.

CORRECTION.—Venture and not Vernon, was the distanced colt at the robust trotting match in California. Woodward, the owner of Billy Vernon, has challenged any colt that trotted in that race, which has been accepted by the owner of Eastonia. Race to come off on the 24th inst., for \$500 a side.

THE office in command of Fort Laramie deems it imprudent to assume the offensive or scatter his command, because of the numerous bands of Indians between Laramie and Reno. He awaits reinforcements. At Fort Reno there are about 200 mounted troops.

MAJOR G. P. IURIE, Paymaster in the U. S. Army, formerly Lieut. Colonel of the 3d Infantry California Volunteers, which position he held as paymaster and appointed Inspector-General on the staff of General Grant, has just arrived at Central City, Colorado, and has relieved Lt. Col. Crawford as Paymaster of that District. So says the *Register*.

COLORADO ELECTION.—Governor Cumming has issued the certificate of election to A. G. Hunt, the Democratic candidate for Congress. The *Denver News* denounces it as a swindle and an outrage, and talks of threats by the friends of Chaffee of a load of tar and feathers. The Republicans claim for Chaffee a majority of 100, and say the Governor issued the certificate in opposition to a vote of the majority of the Board of Canvassers.

BOUNTIES FOR SOLDIERS.—The Chicago Evening Journal publishes the following letter from the Paymaster General to Hon. John Wentworth, M. C., in relation to soldiers' bounties under the late act of Congress. It but confirms the opinion we have all along entertained that the best thing for soldiers to do is to wait patiently until the Board appointed reports the regulations, forms, &c., under which bounties are to be paid, and then send on their claims. The letter is as follows:

PATMASTER GENERAL'S OFFICE,
Washington, Aug. 22, 1866.

DEAR Sir:—The entire subject of the bounties under the law in question has been referred to a Board of General Officers to examine and report to the Secretary of War regulations for their payment. The Board has not yet reported. Till I am furnished with the contemplated instructions, I am unable to answer your question as to the mode of payment.

B. W. BROWN,
Paymaster General.

GENERAL NEWS.—IT IS said the census of the United States this year will be the largest ever produced. The people in every state, a minute.

The *New Orleans Tribune*, a loyal daily newspaper, has been suspended; the editor having been removed by the Board of censors, who, it is said, are the *Radical* party.

If you want a present for the commencement of parties, send a present to the conveting evils of *Montana*, including the following **REMEMBER ME**, 92 ST. JOHN

If you want to advertise in the *Montana Standard*, send a present to the *Montana Standard*.

There are 300 public schools in New York and 219,000 pupils. A Miss Reynolds was *Miss* of the *Lightning* at New York, Ohio, and *Miss* of the *Surprise* recently in the harbor of Chesapeake Bay. *Miss* of the *Surprise* is a grand Temperance Convention to be held in Boston on the 3d and 4th of October.

From Colorado.

A new military post is being established on the headwaters of the Arkansas river in Colorado, and is to be called Fort Stevens. The troops en route to that place, whose duty it will be to build and garrison the Fort, are Co. G, 3d U. S. Cav. and Companies F and H of the 37th Regiment colored troops.

T. J. FAVORITE,
Editor and Proprietor.
